

NOTICE TO MARINERS NO. 2/15

Severn Estuary – Bathymetric Surveys

Mariners are advised that from 11 May to 22 May 2015 survey vessel “Shoreline” will be conducting bathymetric surveys in and adjacent to the main navigation channels from the seaward boundary of the Gloucester harbour (south of the Second Severn Crossing) to Sharpness Point and in the lower section of the River Wye seaward of the M48 road bridge.

The survey vessel will display the relevant shapes by day and lights by night and will maintain listening watch on VHF channel 13 whilst operating in the harbour area.

All vessels are requested to give the survey vessel a wide berth.

Notices to Mariners may be viewed on the Trustees' website:
