

NOTICE TO MARINERS NO. 3/15

River Wye, Chepstow

Maintenance work, Chepstow Town Bridge

Mariners are advised that from 5 May essential maintenance work is to commence on Chepstow Town Bridge. This will involve the installation of scaffolding beneath the bridge.

The scaffolding will be installed in such a way that at least one bridge span remains available for the passage of small craft throughout the period of the work. No additional lighting will be provided.

River users are therefore requested to proceed with caution and pass only beneath the unencumbered bridge span(s) in order to avoid risk of damage to vessels and/or suspended scaffolding.

Notices to Mariners may be viewed on the Trustees' website:

www.gloucesterharbourtrustees.org.uk

Owners, Agents and Charterers should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.

M Johnson
Harbourmaster/Marine Officer

1 May 2015.
