

NOTICE TO MARINERS NO. 3/20

Floating Debris

Mariners are advised that the recent exceptionally high tides have resulted in significant quantities of debris, mainly timber, becoming dislodged from various structures and from the river banks.

This debris may present a hazard to navigation and mariners are reminded to navigate with caution and maintain a sharp lookout.

Owners, Agents and Charterers should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.
